Office Memorandum • UNITED STATES GOVERNMENT

TO : Acting Chairman, Economic Defense Intelligence Committee DATE:

FROM : Chief, Security Control Staff/SO

SUBJECT: Economic Defense Intelligence Committee Membership (formerly Intelligence Working Group)

Reference: Memo dtd 6 Oct. 1954 from Acting Chairman, IWG, to Chief, SCS/SO

1. In reply to paragraph 1 of Reference, the records of this office are consistent with the membership list of IWG forwarded by Reference.

2. It is noted that letters of security clearance certification from State Department have not been received by this office from the Executive Secretary, EDIC, relative to the membership of Marion W. Worthing, Douglas W. Coster, Nils B. Skavang, and Miss Rosaline Sawyer. Consequently, the eligibility of these persons for membership on EDIC from the standpoint of security has not as yet been established by this office.

3. It is felt that the only improvement necessary in the procedure of submitting the names of proposed EDIC members to SCS/SO for concurrence would be a covering letter in original and two copies from the Executive Secretary, EDIC, forwarding the letters of security clearance certification and requesting security approval. The original will be returned to the Executive Secretary, EDIC, with a stamp indorsement of security approval, and the two copies will be retained for Security Office records.
